

Phoebe Buffay

Phobe.buffaycat@vit.ac.in
8511192673

Education

Montessori School, 97%
St. Patrick's Juinter College Agra, 95% Secondary School

Date of birth

12 May 1973

Languages known

English, Spanish, French

Coursework

Machine Learning
Data Visualization
Operating Systems
Database Management System
Discrete maths

Skills

C++	Java
C	Ruby on Rails
Python	Arduino
Android	HTML
PHP	Javascript
MySQL	R studio
Keras	NLTK
Parser	SQL
Cuda	OpenMP
OpenCv	CNN

Experience

- Android club coordinator
- Front end developer in TechnoVIT website team
- Key entertainer in Friends

Projects

Good for females

An android application for women and health safety, emergency mode using android modules, safest route using image processing, disease prediction using SVM and linear regression.

Face detection and recognition using openMP

OpenCV, openMP, cuda

Smart Farming

Arduino coding, sensors , thingspeak

NLP resume parsing

Made resume parser based on nltk, spacy and other NLP tools

Breast Cancer detection

Made a classifier to detect breast cancer using deep learning in keras and tensorflow

Co-curricular activities

Reading novels, painting
